## Marketing Copy

The AquascapePRO® 10,000 Pond Pump is ideal for use in skimmer filters and Pondless® Waterfall applications. Known for its durability and performance, the pump's heavy-duty construction provides strength and corrosion resistance, ensuring years of trouble-free use. The AquascapePRO® 10,000 Pond Pump provides high flow rates and works efficiently in higher head height applications, pumping 10,600 gallons per hour at a 5' head height. Its rubber feet ensure quiet operation by reducing vibration, and the 3" threaded discharge allows for simple installation. The AquascapePRO® 10,000 Pond Pump carries a 2-year limited warranty.
